MISS RUBY WILLIAMS

AT DURHAM HIGH WE WORK AND PLAY

Foreword

THIS is the story of how we work and play. We realize that the days in which we are reaching our maturity are grave days. We realize, too, the great danger at such time of losing our perspective, our reason, our sense of humor. Therefore we consider it fitting in our 1952 yearbook to glorify that reckless and irrepressible spirit that belongs to youth alone, enabling us to play while we work, no matter how serious the situation we face.

Classes

Senior Class

THREE YEARS of hard work, but mixed with fun, have brought us into the light of new understanding. Our last year was a very successful one, being high-lighted by a home-coming celebration when alumni were welcomed and a queen was elected. "Smilin' Through," the Senior Play, truly lived up to the high standards set by the previous ones.

We are only beginning to grow in the light

of the future and as the shadows fall on Durham High School, we set a future which we, the class of '52, shall plan in the years ahead. We are most grateful to the faeulty of our Alma Mater, who guided and aided us during our years here. We hope that those who follow us will learn as much as we have and leave Durham High School in the lime-light.

Junior Class

The Junior-Senior Prom and other activities gave us our period of play while our studies gave us more work than we could often do. Next year we will be "at the top." We hope that as seniors we shall have realized how to mix our work and play.

Sophomore Class

With wide open eyes and ears and practically scared to death, we entered the portals of D. H. S. to find out that high school was a combination of work and play. It was past midway in the year before the most of us realized that it was more work than play, much to the sorrow of many. Next year as Juniors we hope to do better.

Student Government

STUDENT GOVERNMENT

June brought to an end one of the most successful years in the history of Student Government at Durham High School. During the summer meetings, the Student Council laid the groundwork for the Student Government activities which began in September. From the start our miniature democracy was working to set higher standards of citizenship, to develop ideals of democracy, and to foster student participation in student affairs. We helped our sophomores get acquainted with the school in Orientation Week and sponsored Open House for the parents early in the year.

We planned programs, helped prepare school records, and did our part in helping to keep the school orderly.

By working together, we learned valuable lessons of co-operation which will, doubtless, be a tremendous aid in helping us find our place in the world. In order to balance our work with social activities, we sponsored the Leap Year Hop.

Under the capable supervision of Mr. C. E. Cooke and Mrs. Catherine Penny, council advisers—with the co-operation of the student body and its officers, 1951-1952 proved to be a successful year.

HI-ROCKET

EDITORS

Blackie Martin

Linda Boothe

Beginning its thirty-fourth year of publication, Durham High School's monthly newspaper, *The Hi-Rocket*, proved to be another great success.

For the second consecutive year, Mrs. Margaret Flum served as a very capable advisor. Under the excellent editorship of Blackie Martin, editor-in-chief, Larry King, make-up editor, Linda Boothe, editorial editor, and Jimmy Vaughan, business manager, the staff worked together wholeheartedly in publishing the newspaper.

Again the Columbia Scholastic Press Association awarded the *Hi-Rocket*

many honors and a high rating in the field of student journalism. The Southern Interscholastic Press Association of which the *Hi-Rocket* has been a member for the past three years also gave the paper a top rating.

Besides reporting the news, serving as an outlet for student opinion, and presenting the opportunity of gaining journalistic experience to Durham High School students, the ultimate policy of the 1951-52 *Hi-Rocket* this year was to make the publication a definite part of the school.

INTER-CLUB COUNCIL

OFFICERS: Walter Barge, Mary Ann Edens, Gilmer Green

The Inter-Club Council, consisting of the presidents of the clubs and societies in Durham High School, has terminated another beneficial year. The club, through the study of parliamentary procedure, public speaking, and the usual problems which confront a public high school, has felt this to be one of the most profitable school years.

Under the contributive guidance of Mrs. Catherine Penny, the club has prospered, but the members feel that their real success lies in the fact that each and every member is truly interested in the students of Durham High School.

ONCE MORE another school year has passed with astonishing speed, and the members of the Playmakers Dramatics Club will mark it as a year well spent. Even though the purpose of the club, to further student interest in dramatics, is similar to that of many other dramatic clubs, the members feel that through a series of interesting programs they have accomplished such. Also they feel that much of their success is due to the very capable leadership of Mrs. Lois Vick.

JESTERS DRAMATICS CLUB

“EVEN THOUGH our club is young, we shall make it one of the best in the school.” That was the thought of the Jesterys when their club was first organized two years ago. As a result, it has developed into one of the leading dramatics clubs in Durham High.

PLAY BALL! That is the prevailing spirit of the Girls' Monogram Club.

The purposes of our club are to help stimulate girls' activities, to help create better leadership and understanding between girls, and to furnish fellowship for girls of similar interests in sports. Two hundred points, which entitle the student to a letter, and the payment of dues are the two requirements for our club.

During the past year we participated in various practices in order to earn extra points for stars. These practices included volley ball, deck tennis, basketball, soft ball, and other sports.

Our main project this year was to learn the rules of basketball so thoroughly that we would be able to referee games.

The members of this club are interested not only in taking pictures but also in developing their own snap shots. Thus, their biggest project for the year

was the building of a new and bigger dark room, which was finished by the first of March.

Under the leadership of Mr. Glenn Bunting, the Camera Club strives to create a greater interest in photography.

REMEMBER

LINOTYPE · MONOTYPE · HAND COMPOSITION

We have all **3** Types of Composition

WHEN setting type we give due consideration to the ultimate purpose . . . In deciding whether to use linotype, monotype or hand composition, we first ascertain the function of the particular piece of work. Each method was designed for a specific service, therefore initial cost is beside the question. We shall be glad to assist you in deciding which of the three will do the best job for your particular problem. Our composing room service is planned for today's demands.
